

INSTRUCTIONS FOR COMPLETING EXPENSE VOUCHERS

Expense vouchers should be prepared to cover expenses actually incurred while traveling or engaged in activities on behalf of the school district. No mileage is paid traveling to and from work; however, if you are required to teach (provide services) in two buildings on the same day, you are entitled to receive mileage for the distance between those two buildings. **Mileage reimbursement is paid at the rate of .56¢ (.56 cents) per mile (as of January 1, 2021).**

The following chart of frequently used mileage areas based on official Minnesota Highway Maps and odometer readings for in-district mileage is provided for ready reference. If your combination of travel is not provided, you will need to determine distance with your car odometer.
